

Valyermo Dance Workshop

Dancing Lessons and Carols

A Full Bodied Celebration of the Word Made Flesh

December 8, 2012

9:00 am - 4:30 pm

“Christmas is a most appropriate season for adding dance to other art forms used in expressing the great joy of the season. The word ‘carol’ itself means to dance with singing.”

~ Doug Adams

The retreat will lead participants from the solemn hope of advent hymns to the joyous carols and reenactments of Christmas traditions stretching from medieval Europe to the indigenous people of the Americas. With the *Festival of Nine Lessons and Carols*, as a reference, participants will flesh out the incarnation and celebration the loving purposes of God through the scriptures and the music of the season. The fruit of the workshop will be offered as an afternoon group prayer experience, sending all into the season with joyful heart, mind, and spirit.

Rejoice in that day, and leap for joy!

Luke 6:23
