

# Speaking in the Tongues of Dance

May 4, 2013

9:00am- 4:30pm

“And they were all filled with the Holy Spirit, and began to speak with other tongues, as the Spirit gave them utterance.”  
(Acts 2:4)

## Valyermo Pentecost Dance Workshop

Dance is a “tongue,” a language of its own: “...why should not mankind speak again in its most ancient language of the mystery of movement and countermovement: the one movement which proceeds from this world to God, and the other movement which proceeds from God to this world?”

[Gerardus van der Leeuw]

The session provides another opportunity for dance prayer to be experienced by the non-dancer and dancer alike. Please support the abbey by promoting it at your parishes. The retreat will include reflections on relevant scriptures and various writings about the power of Pentecost. Through movement enhanced prayer and sacred dance, we will come to relearn and newly experience the sacred language of the body in dance and prayer.

Donation: \$40 includes morning beverages and lunch
